

Website Evaluation Exercise—HUMN 101W

Go to the Milligan Library website. In the right hand margin, click on Website Evaluation Exercise.

Group member names:

Your group is assigned **Topic #1 Human Cloning**

Using the criteria from the class handout, evaluate the first website. Would you use this website for an academic paper? Why or why not? Be specific. Briefly write the justification for your decision below. Be prepared to discuss your decision with the class.

Using the criteria from the class handout, evaluate the second website. Would you use this website for an academic paper? Why or why not? Be specific. Briefly write the justification for your decision below. Be prepared to discuss your decision with the class.
