### **HISTORICAL NOTE**

The *Milligan College Weekly* was a satirical student newsletter that ran from 2001 through 2003. John Hampton, who did not graduate from Milligan, and Jason Reed, class of 2003, wrote, compiled, illustrated (often with altered photographs), and printed the *Weekly*. The *Weekly's* publication was paid for by the students who wrote it and was not an official Milligan College publication. For much of the *Weekly's* existence, the authors kept their identities secret. However, when Hampton and Reed's association with the paper became known, they applied for and received status as an official student organization. Due to this, the *Weekly* could be found on the Milligan College website for a short time.

### **SCOPE AND CONTENT**

The *Milligan College Weekly* collection contains an incomplete set of printed issues of the *Milligan College Weekly*. In addition, there is a CD containing Microsoft Publisher files of every edition of the *Weekly*. These publications date from November 8, 2001 through January 30, 2003.
